

## REQUESTS FOR POSTING RESEARCH STUDIES/SURVEYS ON ROCHESTER CHAPTER WEBSITE AND SOCIAL MEDIA PLATFORMS

Requests for seeking participants for a research project or survey on our website or social media will be considered on a case-by-case basis. Note that space on our website and social media is limited.

Our HLAA Chapter reserves the right to include or exclude requests. Acceptance of a request is based on it's appropriateness for a hard of hearing population and being conducted/sponsored by a recognized professional institution or organization. Requests by professionals not associated with an organization, may require additional information than what is listed below.

Students submitting requests must have a sponsor/faculty member listed in their request and an IRB Organization and IRB Number included, as appropriate. We do not post requests by high school students.
