

RESEARCH STUDY PARTICIPANT WANTED

**Do you use AI assistants?
We want to hear from you!**

We are studying how adults with disabilities use conversational AI assistants like ChatGPT, Claude, Gemini, etc., in everyday life, and what those experiences are like.

You may be eligible if you:

- ✓ Are 18 or older
- ✓ Live in the United States
- ✓ Self-identify as having one or more disabilities
- ✓ Use an AI assistant at least twice per week or have used them and deliberately stopped or substantially reduced use

What is involved:

- One Zoom interview
- 60 to 90 minutes
- Scheduled at a time that works for you
- Audio/Video recorded with your consent

Compensation:

\$20

Amazon Gift Card
or
Venmo Payment

Accessibility Accommodations Are Available.
